“You never change things by fighting the existing reality. To change something, build a new model that makes the existing model obsolete.”

~ Buckminster Fuller

Many of us have been talking about the “coming” New Earth for a long time. At long last, our world is now on the precipice of opening to a new Wisdom-Consciousness of unbounded Freedom, Prosperity, and Equality, that is founded in Loving Compassion for All Life.

The Transformation that is upon us begins with each of us. As we remember who we are, it is up to us, who remember, to BE the Leaders we have been waiting for.

Are you ready to begin NOW to plan for and Co-Create a new foundation for your Community?

Please join us for this hands-on, practical opportunity to discover what it takes to plan and structure a Pure, replicable process that any community, organization, or city can use at any scale, to step into and live the reality of the New Earth... sooner, rather than later!
